an unlabeled package suggests CHEAP GOODS. The buyer reasons that if the maker is ashamed to have his name appear on his product there must be something lacking in the quality of the goods. Then, too, the maker's name and address on a satisafetory product makes it an easy matter to re-order more of the same brand of goods. It is an easy matter to substitute for an unlabeled product, but difficult if the maker's name and address are prominently displayed. The Free Perss Printing Co. offers an especially handsome label for 1913 at prices that put it within the reach of every sugar producer. Ask us to send you a sample and quote you
